Dear Matt and Jeff:

We would like to thank you for the terrific job you did on the tenant improvements at Olive Avenue Business Park. The owners and tenants were very pleased with your work and professionalism. You certainly made us look good recommending you to our client.

We are very confident in recommending you to any of our future clients, for their tenant improvements and/or ground up construction, in the future. You both are dependable, honest and reliable. The most important aspect of your service to our clients is your ability to come in on budget in a timely manner. Please keep up the good work and we look forward to doing deals with you in the future.

Sincerely,

Chris Keeley
